

Plumpton Park Zoo Wish List

□ Plumpton Park Zoo always needs supplies for its more than 40 species of animals. □ They don't have to be brand new, if they are "gently used" we can put them to good use. If you have any of these items that you'd like to donate to the zoo, or if you'd like to purchase one or more of these items and donate them, they can be dropped off at the zoo at a prearranged time by contacting the Plumpton Park Zoo Director, Cheryl Lacovara at 856-625-7606 or cheryl@zebra.ws

.

The list below includes used and new items. You can find your own source of supplies or you can order new items from Amazon. The zoo keeping staff has selected priority items to go on the list. Please check back regularly to see what our needs are at any given time. *We believe there are items listed to suit everyone's budget!*

If you have any questions, please email volunteer@PlumptonParkZoo.org

.

THANK YOU! YOUR SUPPORT IS GREATLY APPRECIATED!! Please be sure to include your name and address with your care package or other donations so that we may acknowledge your gift. *Please note that when shipping items from a commercial shipping store or online retail outlet, your name and address is not necessarily included on the return label or packing slip. You may need to enclose a slip of paper with your name and return address when shipping, or insert your name and address in the "message to recipient" section of an online store order form.
